### NC NAACP – “Why We Are Here Today”

What follows are excerpts from a call to action published last week by the North Carolina NAACP. The full text is online at [www.naacpcnc.org](http://www.naacpcnc.org).

*NC Constitution Article 1, Declaration of Rights (Section 1,2)*

*We hold it to be self-evident that all persons are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, the enjoyment of the fruits of their own labor, and the pursuit of happiness.*

*All political power is vested in and derived from the people; all government of right originates from the people, is founded upon their will only, and is instituted solely for the good of the whole.*

Carolina. We have written to Governor McCrory and to the General Assembly, asking them to reconsider their assault on the poor, the unemployed, our many citizens without healthcare and our embattled public schools.

...This is only the first 50 days of their work, and we haven't even seen the final budget. The policies pursued in these chambers will devastate hundreds of thousands of North Carolinians who are already suffering. The leadership of this Republican "super-majority" are deaf to the cries of those whom Jesus called "the least of these."

...This is the South where our voting rights were won; this is the South where our youth and our elders brought us the Voting Rights Act. It was always a struggle that some called untimely, always a battle between our fears and our hopes, always a disturbance of consciences grown silent with disuse; and sometimes made its path through the blood of the slaughtered.

Did anyone really believe that no one here in the ever New South would rise up and say, "No, you will neither divide nor conquer in this our homeland; here is the city of Zion, where God's people bring together the odds and ends of our common necessity and stitch a quilt of matchless beauty; here is where the Nuevo South, in all its patchwork colors, accents and aromas, came together and said, "No mas! We call on all residents of North Carolina who believe in the common good to pray and partner with us as we use the tools of protest and the tactics of nonviolent moral suasion to illuminate for the nation the shameful acts taking place here. We are not alone. We shall speak and we shall act. We will become "the trumpet of conscience" and "the beloved community" that Rev. ## Bakery Block Party!!!

Last weekend, Bread Uprising co-hosted a block party on Arnette Avenue. Members Carly, Adisa and Lyndsey coordinated the party, and they got permission from the city to close down the street for the afternoon. It was really cool to see how much fun neighborhood kids were able to have with the street when cars weren't allowed on it! The party was also a good opportunity to meet new neighbors. We're

definitely going to do more of these in the future!
