

## **Bread Uprising Bakery Wholesale Offerings**

All our breads are vegan unless specified. We use organic and local ingredients where possible, and pride ourselves in preserving local ingredients in season to use throughout the year.

### **Artisan-style breads (\$3.50 – \$4.50 per 825g loaf, depending on variety)**

We bake a wide variety of artisan breads as 825g (large) or 450g (small) batards. Loaves are available sliced or unsliced. Some of our favorites:

- Pan de Mesa (a fluffy white bread with a shaggy crumb)
- “Sleepless white” (fluffy white bread with a slightly tighter crumb)
- Deli-style artisan rye bread (with caraway or dill seeds)
- Whole grain sunflower-flax
- Tomato-basil, with NC tomatoes & local basil
- Pecan-raisin sourdough, with NC pecans and organic raisins
- Rosemary-olive

### **Sandwich breads (\$3.50/loaf, gluten-free is \$5.50/loaf)**

Our standard sandwich bread is a two-pound (850g) loaf. Loaves have 12-14 sandwich size slices per loaf, and each slice measures roughly 3.5” x 3.75”.

- 100% whole-wheat sandwich bread – Southern-style; lightly sweetened with local honey and sorghum molasses
- Half-wheat sourdough sandwich – Leavened with natural yeast. Tangy and creamy taste and texture. Made with 50% whole-wheat flour
- White sandwich bread – Fluffy and simple.
- Gluten-free sandwich bread – made from brown rice and millet flours, and tapioca, potato and corn starches. Sweetened with a touch of local honey. Unsliced.
- Deli-style rye – Similar to our artisan deli rye, but baked in a loaf pan
